Master of Theological Studies – Core Program
First Term Registration

This document is for use to guide you through registering for your first semester of classes. You will be assigned an academic advisor and will need to meet with that individual for future registration.

Registration:
Use DukeHub (dukehub.duke.edu) to register for classes. In order to access DukeHub you must use your NET ID and Password. Inside of DukeHub courses are organized alphabetically by course title/number. For example, Church History classes are designated CHURHST and are found under "C." Likewise, Parish classes are found under "P." There are no classes designated under "D" for Divinity. The University Registrars Office has developed a "How To" guide for DukeHub to help you navigate the system.

See below for your enrollment in your first semester. To enroll in OLDTEST 752, select a precept section designated as 01P, 02P, etc. Once a precept section is selected it will enroll you into the lecture portion of the class.
