

Advanced Placement Form

**All completed forms must be submitted to:
The Office of Academic Formation and Programs- 108 Gray**

Please read and understand the following before seeking Advanced Placement:

MDiv and MTS students may, on the basis of undergraduate courses, a religion major, or other substantial preparation, be given advanced placement in one or more of the nine required subjects. Such placement normally presumes at least two college courses in a given area (e.g., Old Testament) with a satisfactory grade average and permits the student to fulfill the requirement by electing an advanced course in the same area (e.g., an advanced Old Testament course in place of Old Testament 752). *Advanced placement must be granted by the division chair and cannot occur until after a student matriculates in a Divinity School degree program.* Courses taken for advanced placement cannot simultaneously count as a limited elective. Advanced standing allows for a student to substitute a more advanced course for a required introductory level course. It does not result in a reduction in the number of courses required for any degree.
