Master of Divinity Students (MDV Seniors only) FOR CHALK AND WIRE

Due April 1 (Spring of graduation year)

In preparation for the Senior Review of their Student Portfolio, MDiv students will need to compile the appropriate materials (listed below). Portfolios will be compiled electronically through Chalk & Wire. After securing a faculty member to complete the review, students will need to submit all portfolio materials to the faculty member at least one week in advance of the scheduled meeting. After the meeting, faculty members will compose a summary of the meeting including feedback for the student and will submit the evaluation through Chalk & Wire.

Materials for the Senior Review, to be assessed by a different Faculty Member than the Middler Review (in the final semester):

- *One graded essay from OT 752, 753, **or** NT 754 on a biblical text with instructor’s comments
- *One graded essay from CH 750, 751, **or** AC 756 on a classical theological text with instructors comments
- One graded essay from CT 755 **or** CE 757 demonstrating critical theological reflection with instructor’s comments
- One graded essay from Black Church Studies **or** World Christianity courses with instructor’s comments
- One graded essay from the capstone Practicing Theology in Ministry course with instructor’s comments
- Video and graded manuscript of sermon delivered in class with instructor’s comments
- *Evaluation from Field Education Supervisor and Lay Training Committee (copies of the evaluations can be obtained from the Field Education Office)
- Student Reflection (instructions for the reflections are embedded in Chalk & Wire).

*It is acceptable for the denoted materials to be used for both the Middler and Senior Review

MDiv students will need to complete the Senior Review before becoming eligible to graduate.
