

## *Strategic Planning Committee*

The **Strategic Planning Committee** was established by Dean Heath in March 2017. The Dean charged the group with the responsibility of engaging the Duke Divinity community and its stakeholders to discern the major themes of the school's next strategic plan. The committee will also facilitate working groups which will determine the action steps necessary for the plan's success. The committee, guided by the process used by the University in its recent planning, is working to submit relevant drafts to the community throughout the process, with penultimate drafts for approval in November 2018. [Feedback](#) to the committee is welcome.
