SECTION I
(to be completed by the intern in consultation with the supervisor)

A. Briefly describe your long-range vocational plans.

Click here to enter text.

B. In your field education setting you can expect to have a broad range of ministerial experiences. The Learning-Serving Covenant focuses your energies and helps you and your supervisor prioritize your time commitments. What are one or two ministerial arts of which you would like to gain experience? Consider this list, which is by no means exhaustive.

- Preaching
- Pastoral Care
- Liturgical/Worship Arts
- Ministerial Leadership
- Evangelism
- Social Witness/Advocacy
- Administrative and Organizational Skills
- Teaching and Disciplemaking
- Cultural Humility

C. Name with greater specificity experiences you would like to have and reflect on theologically with your supervisor-mentor? For example, “I would like to focus on pastoral care and practice hospital visitation.” Tie each experience you hope to have with its related ministerial art.

Taken together you now have specific and realistic goals for learning. For example, you should be able to say at the end of your field education opportunity, “I feel more comfortable in my role as a Christian caregiver in hospital settings and am better equipped to do so as a minister.”

SECTION II
(to be completed by the supervisor after the intern has completed Section I)

A. Do you consider these learning goals to be realistic and adequately challenging for this intern at their stage of vocational discernment as well as appropriate for this field setting? Explain.

Click here to enter text.

B. Describe your personal and professional commitment to this intern’s learning process and your plan for supervision and mentoring. Who else in the congregation/ministry or among your professional colleagues might assist this student in experiencing the growth and formation they have identified?
