Note: The courses below fulfill the limited elective and/or certificate/concentration requirements only in the semesters in which it is listed below. It is possible for a class to count for a limited elective one semester and not another. Questions should be directed to the Office of Academic Formation and Programs (academics@div.duke.edu). Thank you.

A class may only be “counted” for one Limited Elective (e.g. if a course is listed for both BCS and CHURMIN, it will only count for one or the other, not both). A course can count for a Limited Elective and Certificate.
