Master of Divinity First Semester Registration

This document is for use to guide you through registering for your first semester of classes. You will be assigned an academic advisor and will need to meet with that individual for future registration.

Registration:
Use DukeHub (dukehub.duke.edu) to register for classes. In order to access DukeHub you must use your NET ID and Password. Inside of DukeHub courses are organized alphabetically by course title/number. For example, Church History classes are designated CHURHST and are found under "C." Likewise, Parish classes are found under "P." There are no classes designated under "D" for Divinity. The University Registrar’s Office has developed resources to help you navigate the system.

- See below for your enrollment in your first semester.
- **You have two options, based on the Spiritual Formation options presented by the Chaplain’s office.**
- To enroll in OLDTEST 752, select a precept section designated as 01P, 02P, etc. Once a precept section is selected it will enroll you into the lecture portion of the class. This will be the same process for CHURHST 750.

Remember: registration is three steps: you must place courses in your shopping cart, validate schedule—both starting June 28—and then enroll. MDiV enrollment windows are listed on the academic calendar.

Biblical languages are recommended. You may enroll in Biblical Language in your first or second year. Languages are each a two course sequence, one in Fall and one in Spring. The fall course is NEWTEST 760 (Greek) or OLDTEST 760 (Hebrew). These two classes will help you build a foundation to enroll in Hebrew or Greek Exegesis classes in your second or third year. Some denominations require Biblical Language for ordination. Please check with your denomination if you are unclear.

If you have previous experience with Biblical Language and would like to take a Greek or Hebrew Exegesis class. These classes are listed under NEWTEST (Greek) and OLDTEST (Hebrew). You may need a permission number to enroll in the class since you may be missing prerequisites. If that is the case, please contact the instructor and seek permission to enroll in the class.
