

Master of Divinity First Semester Registration

This document is for use to guide you through registering for your first semester of classes. You will be assigned an academic advisor and will need to meet with that individual for future registration.

Registration:

Use DukeHub (dukehub.duke.edu) to register for classes. In order to access DukeHub you must use your NET ID and Password. Inside of DukeHub courses are organized alphabetically by course title/number. For example, Church History classes are designated CHURHST and are found under "C." Likewise, Parish classes are found under "P." There are no classes designated under "D" for Divinity. The University Registrar's Office has developed resources to help you navigate the system.

Biblical Language Information:

The first semester is an excellent time to enroll in Biblical Language: NEWTEST 760 (Greek) or OLDTEST 760 (Hebrew). These two classes will help you build a foundation to enroll in Hebrew or Greek Exegesis classes in your middler or senior year. Some denominations require Biblical Language for ordination. Please check with your denomination if you are unclear.

If you have previous experience with Biblical Language and would like to take a Greek or Hebrew Exegesis class. These classes are listed under NEWTEST (Greek) and OLDTEST (Hebrew). You may need a permission number to enroll in the class since you may be missing prerequisites. If that is the case, please contact the instructor and seek permission to enroll in the class.
