

[Stanza for Sarah (Kirkham) Chapone]¹

[John Wesley]

In art, in nature, can we find
Colours to picture thee?
Speak Cambray's pen for Sally's mind:
She is simplicity.

¹This stanza appears in a letter of JW to Mary Bishop, Nov. 30, 1774. He suggest that it was inscribed in a copy of François de Salignac de la Mothe Fénelon, *The Archbishop of Cambray's Pastoral Letter Concerning the Love of God* (London: Rivington, 1715), which he sent to his friend Sarah (Kirkham) Chapone around 1725.
