SECTION I

(to be completed by intern in consultation with the supervisor)

1. Describe your long-range vocational plans.

2. What specific learning goals do you hope to achieve in this Field Education placement?

3. How do you plan to meet these learning goals?

4. Are there any tasks or responsibilities that you have that will NOT contribute to your learning goals?

5. What other educational or church experiences have you had that will help you serve in this placement?

6. What do you hope to gain from serving in an International setting? How will this experience help prepare you for vocational ministry?
